

A close-up photograph of various cosmetic products. In the foreground, a large, sleek, gold-colored cylindrical object, possibly a lipstick or highlighter, is angled across the frame. Behind it, a black palette contains several round, light-colored sponges or applicators. To the right, a palette of colorful eyeshadows in shades of pink, purple, and blue is visible. The background is a dark, textured surface with scattered purple and pink cosmetic powder. A bright pink rectangular box is overlaid on the top left, containing white text.

The German window of Beauty at Cosmoprof 2018

COSMOPROF
WORLDWIDE BOLOGNA

German Village

GERMANY – the quality country committed to excellence

Again this year, German products designed at the leading edge of high technology, innovation, product safety & environment consciousness are one of the highlights at Cosmoprof 2018. Since many years German exhibitors are participating successfully in Cosmoprof, world's leading business hub of the beauty & body care industry. Cosmoprof is an excellent place for the German beauty industry and related industries to meet key professionals and distributors in Bologna.

Cosmoprof Worldwide Bologna is the leading 360° worldwide event for the professional beauty sector and an international platform for the cosmetics and wellness industry. The Trade Show is dedicated to the various sectors of the beauty industry: Perfumery and Cosmetics, Natural, Health, Packaging and Contract Manufacturing, Beauty Salon and Spa, Hair, Nails. Cosmetic and body care brands made in Germany are among the most valuable brands based on long tradition and world-wide excellent reputation for its innovation and product safety concepts. Like "Eau de Cologne" created in Cologne/Germany in the 18th century, well-known herbal extracts recipes or highly appreciated category brands were designed in Germany. Cosmetics and related high-tech devices made in Germany are increasingly appreciated by the consumers world-wide and, consequently, German exports of beauty and body care products are a story of success. **THERE IS ONLY ONE WAY TO BOOST YOUR BEAUTY BUSINESS: NEW PRODUCTS – Made in Germany.**

Come in and find out in the **GERMAN VILLAGE**: The quality of made in Germany designed at the leading edge of high-tech & innovation. You will find the **GERMAN VILLAGE** in hall 16.
